Figure 35

This is a technical drawing of a mechanical assembly, likely a door handle or latch mechanism. The drawing is a line drawing with dashed lines indicating internal components or movement. It shows a rectangular base plate with a handle on the left and a latch on the right. The handle is a curved lever, and the latch is a small rectangular component. The drawing is oriented vertically, with the handle at the top and the latch at the bottom. The drawing is a line drawing with dashed lines indicating internal components or movement.
